TRANSPORT GUIDE

— 2023 - 2024 —

WELCOME

Dear Parents / Guardians,

Thank you for taking the time to look at The Abbey School bus service for the 2023-2024 academic year. This sets out the wide range of travel options available to the pupils at The Abbey School.

From September 2023, The Abbey School have appointed Vectare, a specialist school transport management company, to manage the school bus service. Vectare are responsible for over 2 million independent school journeys per annum. Vectare will manage all aspects of the school's service, and any enquiries can be directed to their team at theabbey@vectare.co.uk.

All bookings for school bus routes are made via our online booking system, which can be viewed at theabbey.vectare.co.uk. This means that you no longer need to complete any paper forms. Payment for the service is made at the time of booking and your child's name will automatically be added to the register. The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

This guide provides an overview of the school bus service network and contains further details including fare and timetable information.

All bookings for all routes can be made via the dedicated transport website. The website allows you to book travel 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you are running late and you would like your child to travel on a school bus as a one off, you can make a booking right up until the bus is due to depart.

The late services are also on the website, and should you need to change onto it at the last minute, you can also make this change quickly and easily.

Other amendments and changes can also be made via the 'my account' section of the website.

If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact us via the bookings website and we will be pleased to assist. I would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

Yours sincerely,

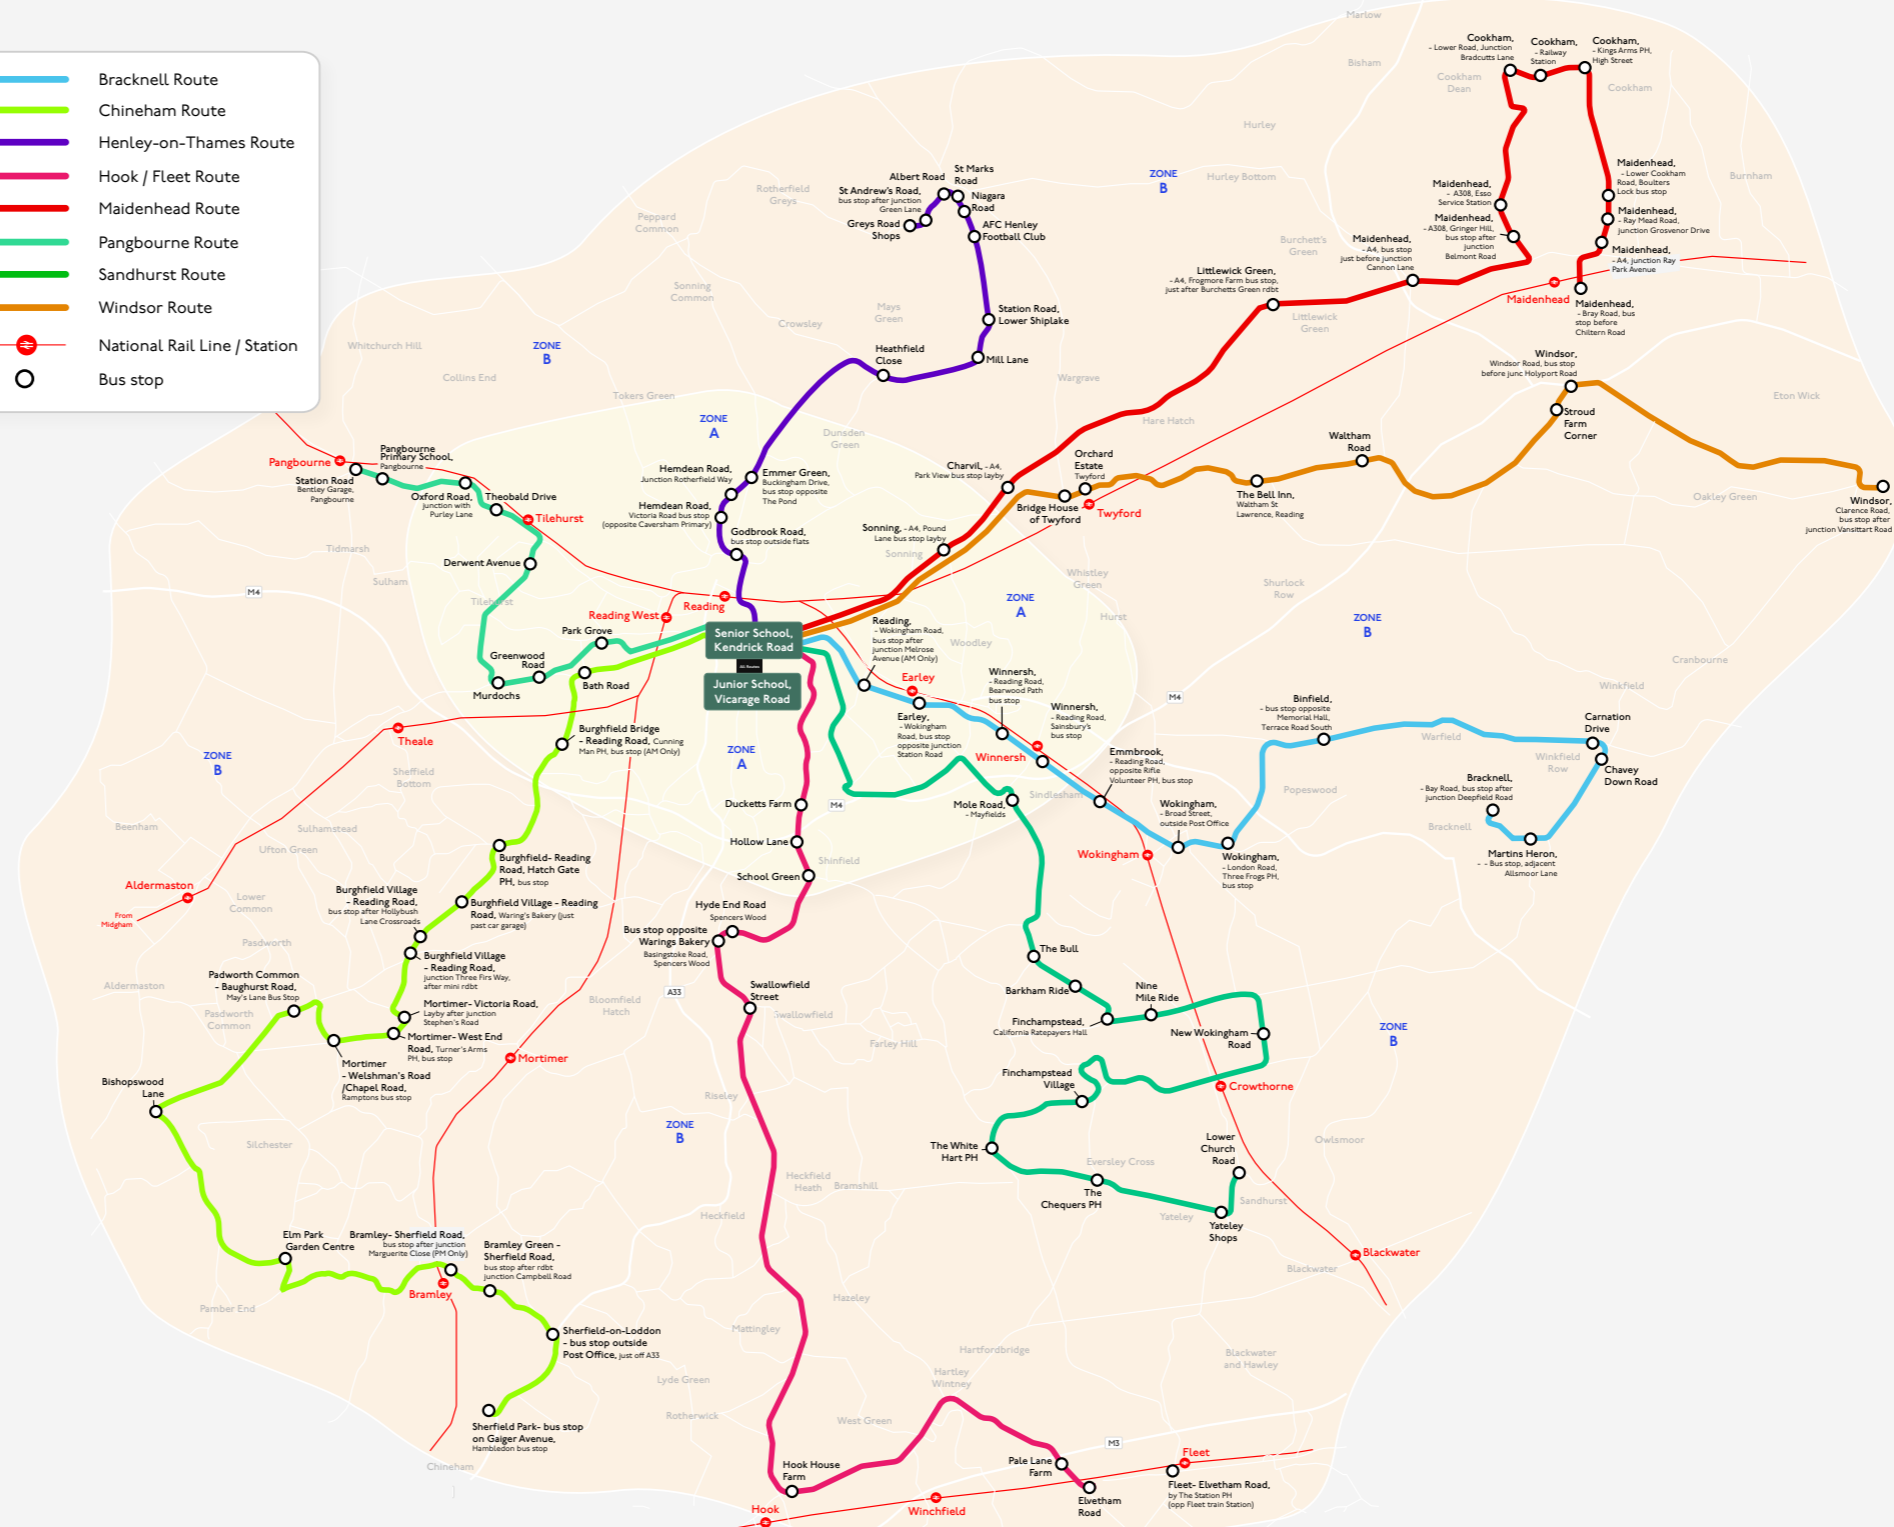

Nadine Doble
Head of Finance & Resources
