

**The Abbey School
Gender Pay Gap Report**

In accordance with the Equality Act 2010 the following is the Gender Pay Gap Report for The Abbey School for the 2017 period. This report has been approved by the Chair of Governors and the information is available both on the gov.uk website and on the School's own website. A positive pay gap indicates a bias towards males. The Abbey School's negative results (its higher paid staff are teachers, mostly female) indicate the opposite:
